Dear All,

This week some of the children have chosen to go on adventures outside. They have enjoyed finding and sawing fallen trees, building fires, visiting the cows and rolling down hills! We have been listening to Mr Tambourine Man by Bob Dylan because Frank sang it to us and we had been talking about our Nursery tambourine (now named Terry the tambourine man). The children have been interested in finding out about volcanos so we have been reading books about them, watching video clips of them erupting and painting our own volcanoes.

Katie had a makeover!

Cooking pretend fish on the fire

Hellooooooo!

Finding the fallen trees

Families Favourite Songs

We have loved listening to one of Franks favourite songs this week and have decided we would like to listen to some of everyone's favourite family songs. Next week I will put a box with pens and paper at the front of the Nursery. If you have a favourite song (grown ups and children) then please write it down, put it in the box and each week we'll pick out a new song to listen to. If there is a story behind your favourite song then we would love to hear that too.
